

# ENVIRONMENTAL POLICY STATEMENT

Boxclever Total Waste Management Limited (the Organisation) aims to provide specialist waste management services to a consistent standard that protect and enhance the environment.

To achieve pollution prevention and to pursue our goal of continual environmental improvement we will:

- Comply with and where possible exceed all legal and other environmental requirements relevant to our activities
- Assess and control the environmental aspects of our activities and services to minimise their impact on the environment
- Develop eco-efficient working practices by reducing resources consumption and waste generation. Where possible we will recover and recycle our customers waste
- Understand and control the risks of our activities to minimise environmental pollution, damaging incidents and nuisance incidents to local residents and the environment
- Assess and minimise the environmental consequences of our new business developments
- Ensure that employees and contractors have sufficient experience and training to enable them to meet their responsibilities in safeguarding the environment, including compliance with this policy and relevant procedures
- Communicate on the environment with interested parties, including employers and contractors. We will promote co-operation and good communications at all levels within the Organisation and stakeholders
- Make this policy publicly available
- Review this policy on an annual basis
