

OCCUPATIONAL HEALTH & SAFETY POLICY STATEMENT

It is the general policy of Boxclever Total Waste Management Limited to:

- Provide and maintain a place of work that is safe and without risk to the health and welfare of all its employees, independent contractors, members of associated companies and the general public, so far as is reasonably practicable to do so
- Provide and maintain resources and systems of work that are safe and with minimum risk to health
- Provide appropriate information, instruction, training and supervision to ensure the Health and Safety at work for all employees
- Allocate sufficient resources to enable the policy to function effectively
- Seek to continually improve health and safety performance
- Liaise with and maintain good relations with employees, the Health and Safety Executive and other relevant organisations
- Review operational performance using appropriate measures. Review accident investigation reports and audit information
- Make the management of health, safety and welfare an integral part of the company
- Comply with the Health and Safety at Work Act 1974, statutory regulations, approved codes of practice and industry recognised guidelines applicable to its activities in particular in relation to the provision of specialist waste management services.

The Managing Director reviews the Health and Safety performance and operational system once a year, normally in July in order to introduce a measurable improvement to the Organisation's overall performance and agree performance targets and objectives for the following year
